***Allowable Subject Matter***

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance: regarding claims 1, 10 and 18, patentability resides, at least in part, in the adjustment element being in contact with the housing, a bracket having a compressive surface movable towards and away from a mounting surface of the housing by rotating the adjustment element, wherein the bracket is threadably connected with the adjustment element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
